### Exalted Ruler Message

I must admit that I'm a little misty-eyed as I write this because it is the last letter that I will write to you as your Exalted Ruler. I knew that my time as ER would pass quickly, but not this fast. On April 4<sup>th</sup>, our new officers for the 2024-2025 year will be installed, and I invite each one of you to attend the Installation Ceremony to show your support.

Speaking of Officers, it's not too late to become one. Exalted Ruler Elect Ron Allman is looking for a Lodge Esquire. This is a great job and a perfect way to learn the ins and outs of being an officer. Please contact Ron at [rallman34@wavecable.com](mailto:rallman34@wavecable.com) if you are interested.

It's been a good year! We've certainly had our challenges and there is room for improvement, but the successes of the year far outweigh the problems. Attendance at our special events is on the rise as evidenced by more than 170 attending Home for the Holidays and more than 130 at the New Year's Eve party. These are just two examples of what we've seen all year. While not out of the woods, our financial picture has continued to improve, and we are now focusing on setting funds aside for long-term investments and capital improvements and repairs to our facilities. Most importantly, our membership is growing! We have currently welcomed eighty-eight new members and are poised to end the month of February with more members than we started with on April 1<sup>st</sup>, 2023. Hopefully we will bring in even more in March and end the year with more than 900 members. This will be the third year in a row that our membership numbers have increased. Like I said – it's been a good year, and I see it getting even better in the future.

A special thanks goes out to all our Lodge committee members, to the volunteers and staff who worked so hard to pull off our many events, to the office staff who manage all the paperwork and have strived diligently to keep our Lodge finances in order, and to the officers who often had to make very difficult decisions to keep the Lodge on its upward track. I would be remiss if I didn't also recognize the membership for their participation and continued support of the Lodge. THANK YOU ALL!

In closing, I appreciate the privilege of being your Exalted Ruler this past year. It has been an honor to serve you and I look forward to doing so in other capacities for many years to come

All the best,

*Bob*

**Chairman of the Board**

Hi everyone, we are in the final review for the budget for the 2024-25 year. We hope to have it done and ready for lodge member review in the first or second week of March. I am still hoping for warmer weather earlier verses later this year. I was looking at the vote counts for the different schools in our area and the number of voters seems to be less than the number of students in the district. One thing that we should do as good citizens, not just good Elks, is to get out there and vote. In our county all you have to do is fill in your ballot while in the comfort of your home and mail it in.

The lady's room door near the office has been relocated, and the old doorway entrance was sheet rocked over. The interior of the lady's room has been refinished and trimmed with new flooring. I would like to give a big thank you to the LOE for being patient with us volunteers, but we finally got it done. And another thanks to the LOE for backing the redo of our street sign, it was in need of an update. We got the new ceiling tiles in for the kitchen area, and are working on getting the rails cleaned up and the new tiles installed.

We really want all members of our lodge to volunteer for an hour or two each month at the lodge to keep the lodge affordable for all. Maybe you could come in to vacuum the lodge, wash windows, answer calls in the office, arrange/set tables, wash dishes, or cook one night a month like Tina and I do, or many other things. Really, please think about what you can do to join in as a volunteer and help your lodge. Remember if you are going to volunteer to handle food or work in the kitchen/bar at a minimum you need a food handlers permit. I am more than happy to help you get it.

**Chairman of the House**

Hi everyone, hope you had an awesome Valentine's Day. I wanted to talk a little about renting out our lodge to members and or the general public. I don't know if you know, but members get a discounted rate for renting the lodge. We are a premier location for other things, such as weddings, birthdays, and so on, so if you know anybody or your family is looking for a place to rent, please give us a chance. It is essential to the existence of our lodge.

We also still have the bar open 4 to 8 on Wednesday night, with pizza and wings on 2nd and 4th Wednesdays. The 1st and 3rd are Lodge menus available 5-7 pm. We have all the TVs working, so come out and support your lodge if you can. Thank you for your support.

Sincerely and fraternally,

Larry Dodd House Committee Chair

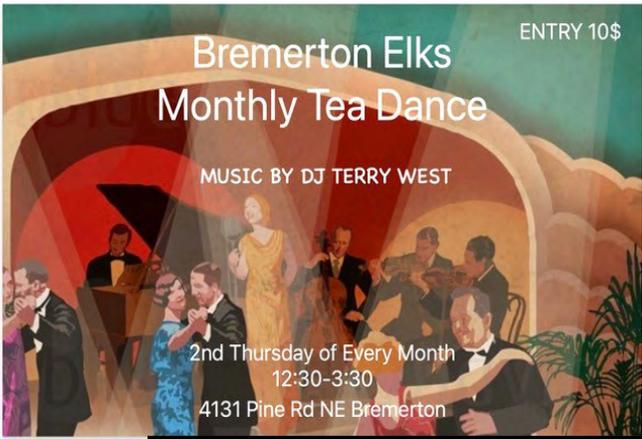

**MEXICAN TRAIN EVERY TUESDAY**

Join us for a fun, popular, game of Mexican Train (a variation of Dominos), each Tuesday of the month. Bar and lunch purchases are available at 11:15 am. Game starts at noon. If you don't know how to play, we can teach you in a jiffy.

### March 2024 Travel-N-Fun Column

We have so many fun outings and events planned this coming year. If you are interested in joining our group or wondering what we are all about, please drop by one of our monthly meetings. Our next meeting is March 11, 2024, at the Lodge, in the pub area, at 7 PM. We would love to see you there!

There was a great turnout for the Valentines Brunch in February. A big thank you to Carol Hafner and Dee Murphy for organizing the brunch, reservations, and decorations.

Our next outing is St. Patrick's Day themed and will be held at the Bremerton Elks RV Park, Lodge, & Shelter, March 13-17, 2024. Fun times ahead, be sure to wear something green!

The April outing will be held at the Port Townsend Elks RV Park, April 17-21, 2024. We are looking forward to an amazing Fish and Chips dinner at the Port Townsend Elks lodge on Thursday night. There is a craft project planned for Saturday, marbles and mosaic tiles will be supplied, bring your own vase or flowerpot, etc. to decorate.

Our membership chair is Nita Marcotte (360-649-4253) ([nitmar4g@gmail.com](mailto:nitmar4g@gmail.com)), contact her for more information, Annual membership dues are \$10 per person. Dues for first-time members are \$25 per person, this amount includes annual dues of \$10 and the cost of a name tag. For additional information, there are trifold and business cards on the Lodge foyer table.

Bremerton Elks Lodge #1181 recognizes Linda Lorenzo as our Elk of the Month for February 2024. Since becoming a member, Linda has been very active in Lodge activities and has recently assumed a leadership position as Chairwoman of the Tea Dance Committee. She is bringing fresh ideas to the program and her efforts are having a positive effect as evidenced by increased participation. She is an avid supporter of the Wednesday evening dance lessons and is often seen at the Lodge on Friday nights and special events. Finally, she is proving very effective in recruiting people to join the Elks and has significantly helped our membership increase in size. We are lucky to have her!

We are using signup.com for volunteering. I need email addresses from all those who are willing to volunteer. Please contact me at the following :

Hello Everyone,

I am Tina Bale, the new Grant Coordinator/writer for our Lodge and just wanted to introduce myself and what I/we are doing this year with our Grant Funding.

We have currently applied for 3 available Grants so far and have received funding for each. There is still 1 Grant which I am currently working my way through the application, and I will let the Lodge know when I am notified about the results on that. Let me introduce you to our Grants and what we will be using them for this year. The Grants are:

Impact Grant- Impact Grants are an opportunity for your Lodge to serve the community in a meaningful and visible way, which can help the Lodge to raise it's profile and even gain members. It is designed to set a standard of excellence in community leadership through volunteerism, mentoring and service. We are using our Impact Grant funds to partner up with KCR again, purchasing books for "Reading for Readiness" program. This will be another volunteering opportunity labeling, sorting, delivering, and reading to children. If you are interested in helping, please let me know.

Gratitude Grant - The Gratitude Grants are the ENF's way of saying thank you to every Lodge that meets the GER's per-member-giving goal in the prior fiscal year. These \$2,000-\$3500 grants offer Elks an opportunity to serve and build stronger communities. This year we are using our Grant Funding to purchase Atlases for every 5th grade student in CKSD. We will be delivering these Atlases to every Elementary School and to these students as soon as we can. I will be asking for volunteers to help label, box up and deliver these books to the schools-stay tuned for YOUR opportunity to help out.

Beacon Grant - The Beacon Grants are a chance for Lodges to develop an ongoing, Lodge-led charitable project. In 2023-24, the Beacon Grant will be offered to every Lodge with the flexibility to provide more opportunities to assist communities post-pandemic. This year, I combined the Beacon/Spotlight Grants to serve Bremerton FoodLine, Bremerton Backpack Brigade, and our own Bag Ladies.

Spotlight Grant - The Spotlight Grant provides Lodges the opportunity to shine a light on important issues facing nearly every American community. In 2023-24, those areas of focus are family literacy, homelessness among veterans, and combating food insecurity.

Freedom Grant - Freedom Grant projects must serve veterans and/or military members in need or support or services. Projects must focus on one of these five areas: employment, homelessness and housing, military families, health, and educational support. I am still working on this one and hope to bring it all together very soon. This is a great volunteering opportunity to help serve Veterans at the Retsil Veterans Home in Port Orchard.

Thank you for the opportunity to learn more about these Grants, myself, and for sharing this information with the Lodge as a whole. If you are interested in learning more or are interested in helping out with any of these volunteering opportunities you can find me at the Lodge or send me an email at [tinalbale@yahoo.com](mailto:tinalbale@yahoo.com).

**Bremerton Backpack Brigade**  
is in need of these food items:

High Protein Items such as Spam, Vienna Sausages, canned chicken, turkey, ham, or tuna, canned & dried beans

Other items needed are bags of pasta & rice, tortillas, fruit/applesauce cups, cereal/oatmeal, pancake mix & syrup, and individually wrapped snack items (i.e. granola bars, fruit snacks, fruit roll ups, etc.)

**Please put your donation in the lobby box**

We are looking for a group of volunteers who would be willing to hand out flyers at a local grocery store. If we get enough volunteers to do a whole day with shifts that would be **AWESOME!** Please contact Tina Bale either at the Lodge or by email at [tinalbale@yahoo.com](mailto:tinalbale@yahoo.com) RE: BBB Volunteer Day.

At the Bremerton Backpack Brigade, our mission is to nourish the future by ensuring that no child goes hungry, even when they leave the school doors behind. Through our innovative program, we send backpacks filled with nutritious food home with kids every weekend during the school year, helping to ensure they arrive to school on Monday morning ready to learn.

### Message from Ladies of Elks President

Well, February is behind us. Don't know about everyone else, but I am definitely ready for spring.

Couple of big accomplishments this month. Thanks to Glenn Bale and his crew, and to Rita, Dena, and Melinda, the women's bathroom finally got the much-needed update. The money that was set aside three years ago in our budget is finally being put to good use. Great job all. In addition, the gift to the lodge this year is the rehabilitation of the reader board on the corner at the end of the driveway. At the time of this writing, it is scheduled, but they have not begun yet. Hopefully, by the time you read this, it will be finished.

The gift to the lodge as well as the donations for ENF and Tall Elks were presented at the Sweetheart Ball. It was a very nice affair. The crowd was a bit smaller than in the past, possibly due to the price, but everyone there seemed to enjoy it. The affair was catered in order to allow any members that wished to attend to do so without having to worry about volunteering. However, catering is very expensive, and I think in the future the lodge will go back to volunteers rather than catering.

The Superbowl party was a huge success and I think we will be seeing more sporting events in the future. Barb and Bob Herron and committee, did a great job with the football games this year and Barb is full of good ideas for the future.

The lodge has made great progress in becoming solvent, but we can't become complacent. If you see an opportunity to volunteer, please consider helping out. Future events include Casino Night, the crab feed, Kentucky Derby day (and membership drive) and the car show. I know there are several others scheduled but can't remember them right now. Check the monthly calendar in the reminder and volunteer if you can. In addition, Dwight Barber is looking for people to help with the dahlia project.

Elections will be held at the dinner meeting on March 20. Please come and support our new officers. Installation, of course, will be in April. Wow, the year is almost over.

## OUR KIDS

### Washington Elks Therapy Program for Children, Inc.

#### Our State Major Project

Thanks to you, and the dedication of Elks Members, our State Major Project has been providing Occupational or Physical Therapy services to children birth to twenty-one years at no charge to their families. 70 years later, our mission is the same, however the types of children needing help have evolved and changed over time. Simultaneously, the science and medical understanding about how the body works and types of interventions needed to help children thrive has shifted. Given this, there has also been a change in the language used to describe who these children are.

We had a great opportunity at our Elks Mid-Winter Convention to meet a young man, Romeo, who is benefitting from Occupational Therapy intervention through our State Major Project, The Washington Elks Therapy Program for Children, Inc. Romeo is bright, engaging, and articulate. Some of his challenges and barriers that impact his engagement in meaningful occupation, i.e.: school, social engagement with family and friends, activities of daily living like bathing, dressing, eating, or chores, are the result of how he processes sensory information from his environment. He may be easily overwhelmed by sights, sounds, and smells which make it challenging to be present, focused and engaged in the task at hand. Occupational Therapy sessions for him are focused on providing sensory processing interventions that help him understand what is happening in his body and have strategies to stay calm and focused so that he can learn, play, and thrive. Over time, we have been receiving more and more referrals from doctors for children with these types of issues.

Historically, the children needing therapy had physical limitations like polio, cerebral palsy, stroke, spina bifida, epilepsy, or muscular dystrophy, and our focus was on helping them with gross and fine motor issues to enhance their skills and abilities. Thanks to the miracles of modern medicine, we are seeing fewer children with this type of diagnosis. Now, many of the children we are working with have sensory processing disorders, autism, and other mental health challenges like attention deficit disorder - ADD, attention deficit hyperactivity disorder - ADHD, anxiety, or depression. These changes in diagnosis have changed the frame of reference for treatment and led to our therapists taking additional continuing education courses to have better tools in our tool kit to meet the needs of the children on our caseloads.

Another significant paradigm shift has been in how we frame the challenges “Our Kids” are facing and the language we use. Years ago, children who were different were called crippled, then handicapped, then special needs, then differently abled. Currently, we use neurodiverse to help describe the vast differences in individual brains and therefore individual perceptions and understanding of the world. We are also looking at children using a strength-based approach to intervention, building on their abilities rather than focusing on what they can’t do. As always, therapists are providing this intervention and support in the child’s home with their parents actively involved in the journey of helping their child thrive. Thank you for your continued support of The Washington Elks Therapy Program for Children, Inc.! We could not do it without you! Together, we are making positive change in the lives of children across the great state of Washington.

## March Entertainment

For March 8, we see the return of a Lodge favorite; Silver City 6. Playing classic rock and popular dance music.

For March 22nd, we welcome The Hasbrook's. A new band to the lodge. Their focus is playing great country and country rock covers that'll get everybody up to dance.

Please come to the lodge and support our live bands. And if you have suggestions on types of music you would like to hear for next year, please use the suggestion box located in the lodge or contact me at one of our events.
